

What we need to know about our patients

We offer new patients the option of registering online, which helps us fast track your appointment. We will register you before you arrive so that you do not have to complete the registration form here and can use your time more efficiently.

How was our service?

We of course hope that your experience here is a positive one. In a continuous attempt to improve our service to you, we will email you a feedback survey the day after your appointment. It is only by listening to what you say that we can continue to improve our standards. We publish the results of these surveys on our website.

Smoking

The Medical Chambers Kensington is a public building and so smoking is prohibited in all parts of it. Please note that the building is fitted throughout with fire detecting equipment which will be triggered by smoke. We thank you for your co-operation.

Confidentiality

Confidentiality is very important to us and we process all patient data with great care. Please contact our Clinic Manager if you would like to learn more about the personal data that we hold. We have placed a video camera at Reception and all telephone calls are recorded for training purposes.

How to make a complaint

We work hard to ensure that we get very few complaints. But when we do all comments and complaints are taken seriously regardless of what they are about.

We need to know about any problem you have experienced, small or large, because without knowing we cannot do anything about it.

Please make your complaint to our Director, Mr Ivor French. You can ask to see him whilst you're here at The Medical Chambers Kensington or you can telephone him on (020) 7244 4202/(07899) 991111 or you can email him at ivor@themedicalchambers.com or you can write to him at 10 Knaresborough Place Kensington London SW5 0TG.

He will do his best to address and resolve any concerns you might have.

Your complaint will be acknowledged, either by telephone or letter, within 2 working days. If your complaint needs investigation we will reply to you within 20 working days of having sent you an acknowledgement.
